Décret n° 2021-1110 du 23 août 2021 modifiant le décret n° 2021-688 du 28 mai 2021 portant scission de la Commune de Keur Massar et fixant les limites territoriales de communes dans les départements de Keur Massar, Guédiawaye, Pikine et Rufisque

RAPPORT DE PRÉSENTATION

Dans le cadre du processus de renforcement de la décentralisation, de rapprochement de l'Administration des usagers par la pleine participation des populations à la gestion des affaires les concernant et l'amélioration de l'efficacité de l'action publique, le Gouvernement a décidé de créer le Département de Keur Massar par décret n° 2021-687 du 28 mai 2021.

C'est dans ce sillage que le décret n° 2021-688 du 28 mai 2021 portant scission de la Commune de Keur Massar et fixant les limites territoriales de communes dans les départements de Keur Massar, Guédiawaye, Pikine et Rufisque a réparti les différentes localités et quartiers desdits départements.

Toutefois, il a été constaté que certaines localités et quartiers comme Almadie 2, Cité Air France, Cité Belle vue, Cité Sengindia Ndiakhirate, Darou Rahmene II Cité Jaraff, Kounoune Extension, Sicap Sangalkam, dans la Commune de Sangalkam (Département de Rufisque) n'ont pas été prises en compte.

Le même constat a été fait dans la Commune de Wakhinane Nimzatt (Département de Guédiawaye) pour les localités de Bagdad 2 et Cité Sentenac.

Il a paru, dès lors, nécessaire de procéder à la modification des annexes 1, 2 et 3 du décret n° 2021-688 du 28 mai 2021 précité, en vue d'y intégrer lesdits localités et quartiers.

Telle est l'économie du présent projet de décret.
